

JOURNEY TO WELLNESS

Programs for Cancer Patients & Survivors

This wonderful program is dedicated to providing cancer patients & survivors with affordable & empowering fitness programs in a healthy, positive, supportive environment within their community. With the guidance of our Certified Cancer Exercise Specialist/Certified Personal Trainers, the program provides one-on-one guidance or group sessions for cancer patients or survivors. Our goal is to aid in the recovery & general fitness during/after cancer treatment, and to also transition participants to workout on their own or attend classes on our Fitness Schedule.

MONTHLY GROUP PROGRAM

This program provides you the choice of attending 3 group fitness classes per week consisting of land fitness, aqua fitness & yoga/stretching. Initially each participant receives an exercise program tailored to their specific needs. By its design, the group format fosters friendships and support among participants.
