### Facility Use Regulations and Guidelines:

1. All group reservations/rentals for parties of 10 or more swimmers must be submitted to the Aquatics Supervisor *at least* one week prior to the rental request date. Requests are processed on a first come-first serve basis and availability cannot be guaranteed. Reservations will be confirmed when both parties have signed this agreement.
2. Groups of 10 or more are **required** to use the multipurpose room or pool patio for the purpose of storing belongings and as a group gathering area to ease congestion in the locker rooms and on the pool deck.
3. The renter is responsible for the care and removal of their property immediately following the rental. Arapahoe Park and Recreation District is not responsible for materials or equipment left at the facility and cannot store any group's equipment, supplies or materials.
4. Renters and users will be held responsible for any and all damage incurred and for all undue trash pick-up and other cleanup following the event. Additional fees for damage and/or clean-up will be billed directly to the user.

5. The District reserves the right to deny or cancel any function which does not follow established policies, rules or regulations, at management's discretion.
6. All children shall be directly supervised by a responsible adult in the water, who is wearing a swim suit, at a ratio of 1:5 for children 5 years and younger, and at a ratio of 1:10 for children ages 6 and older. Non-Swimmers must be directly supervised by a responsible adult and must stay in shallow water. If they are less than 48" tall, it is suggested that they wear a Coast Guard approved life vest, available for check-out from the Aquatics office. Swimmers in life vests must be within arm's reach of a responsible adult at all times.
7. For your safety, if anybody in your group has verbal, physical or any other type of limitations, we ask that you inform the aquatics staff prior to entering the pool.
8. Water wings, rafts and other inflatable swimming aids are not allowed. Only US Coast Guard approved flotation devices may be used with direct adult supervision. Water noodles may also be used, but are not a substitution for appropriate supervision.
9. Proper swim attire is required; swim suits cannot be made of cotton; street clothes are not permitted in the pool.
10. Waterslide users must be at least 48" tall, no exceptions. Riders must be able to swim independently out of the splashdown area unassisted. Life vests and flotation devices are prohibited on the waterslides.
11. Swimmers must be 48" or taller to use the lazy river unless accompanied by a responsible adult, who is within arm's reach at all times.
12. On behalf of the group listed above, I give my consent to the District that they may use any photographs or videotape taken of myself or members of my group while participating in District activities for future promotional or marketing materials.
13. An additional list of pool rules and regulations are posted at the facility. It is the responsibility of the group representative to ensure that all guests abide by the facility rules and regulations. Failure to adhere to these guidelines may result in ejection from the facility. By signing this agreement, you acknowledge that you will personally advise all participants of these guidelines prior to the event and as many times thereafter as may be required, including any violation that can result in revocation of this permit and may subject all participants to prosecution under the City of Centennial and/or Arapahoe County ordinances or state laws that are violated.
